

Submitter: Vena Lawson

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB704

My son is type 1 diabetic and can barely afford his co-pays. I have a friend in Canada who has cancer and is unable to work. If he was in the USA instead of Canada, he would be bankrupt.

I am on Medicare but still unable to receive the kind of care our "representatives" get. There is something seriously wrong with this system.
