Chair Dexter, Vice-Chairs Gamba and Helfrich, and Members of the Committee,

My name is Lindi Senn and I live in Multnomah County. I am an Oregon renter (or other category) submitting testimony in favor of HB 2001 to help people avoid homelessness and give more people who are living unsheltered the opportunity for safe and stable housing.

Chair Dexter, Vice-Chairs Gamba and Helfrich, and Members of the Committee, I am a long-term renter people that rent housing or apartments if not in the recent past it had been difficult enough. to live in a community with stability security and responsibility. the difficulty has become more of a lifestyle it should be prevented with reasonability. there should be a rent freeze lower rents and subsidies in every housing or apartment rentals. to be reassured confident and capable after paying rent it is important in your system. to have finances is a necessity to contribute maintain and be efficient in the community. Thank you. Sincerely Lindi.

Thank you for hearing this important bill and for considering my testimony. I hope you will listen to people like me and vote yes on HB 2001.
