

Submitter: Joerg Peter

On Behalf Of: HB 2458

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2458

I support HB 2458 as a disabled person. Conversion therapy is a crime because it hurts human beings. It attempts to silence us, who we really are, with a most brutal method, trying to make us feel ashamed, guilty and worse. Conversion therapy is an attempt by evil persons to enforce their distorted view of right and wrong on us. Please outlaw all of these evil practices!
