

Submitter: PAMELA WIMMER
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2107

I oppose this bill. No person or entity should automatically register voters such as the DMV or the OHA! This is an open door for fraudulent use of ballots. Only US Citizens and legal residents of Oregon have the right and privilege to register to vote. And they should make a conscious, active decision as to whether or not they want to register to vote.

Please oppose this bill.

Thank you for your consideration.
