

Submitter: Laura Underwood

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB3223

I am in opposition to this bill HB 3223 that prohibits the Oregon Board of Dentistry from requiring applicants for certification as a Dental Assistant to pass a written examination. Quantity should never supersede quality. It's important to maintain high educational standards and written examination is one of the best ways to measure this.

Professionally yours,  
Laura L. Underwood RDH
