

Submitter: Charles Booth
On Behalf Of: Self
Committee: House Committee On Rules
Measure: HB2107

It is not the responsibility of Government to register people to vote or provide Identification it is the responsibility of the individual. The very idea that Government should hand the individual everything is categorically ridiculous. Additionally the Secretary of State has Zero business getting involved with the Oregon health authority for the purpose of voting and is a clear violation of privacy. No just no!
