Measure: HB2585

I Support HB2585! End automatic voter registration through Oregon Motor Voter. ---  
Voting is a responsibility, there should not be anything automatic about the task.  
People need to step up of their own initiative and say "Count Me". They should be  
vetted and provide the proof that they are an Oregon Citizen in good standing. This  
should not be a side task of the DMV that should be focused on cars, titles, driving  
skills..
