Committee: Senate Committee On Health Care

Measure: SB704

I am vehemently opposed to this bill. Oregon government has doubled in size in the past 10 years and with it the taxes to support the bloat are unsustainable for Oregonians. I have lived in this state all 61 of my years and looking at a move because I cannot afford to retire here with the never ending lust for more tax money the Oregon government demands and mostly wastes.

I do not want Government in charge of my health care nor do I want it picking my doctors. I am a NO vote for this bill. Leave Oregonians alone and let them live their lives in peace.
