Committee: House Committee On Rules
Measure: HB2585

I support removing/ending automatic voter registration through the Oregon Motor Voter law/rule. Voters voted, on several occasions, to not implement this yet Kate Brown went against the people and did it anyway. This law is fraught with many issues. One being, it allows illegals and ineligible people to vote. Two, it changes people's voting/voters status to NAV. Which could drastically change how things are voted on. Simply put, it's a bad law.
