

Submitter: Sue Otley

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB3158

Everything is already so expensive and Oregon has a lot of hidden taxes now. SIX new taxes is more than businesses can handle. Farmers and ranchers put the food on the table and they don't have the profit nor cash to pay these taxes. Many of our young people are not going into these businesses and this will make it impossible for most.
