

I SUPPORT [HB 2902].

[HB 2902 (2023)]- "Requires schools to provide instruction on preparing for, and recovering from, fires, earthquakes, safety threats and natural disasters. Directs Department of Education to prepare curriculum and provide professional development."

[HB 2902] is a great idea.

Redirect money to support this program from the Housing and Community Services bloated and obese budget.

David S. Wall

Mr. Oregon Concurr.
