

Submitter: Stella Eversull
On Behalf Of: Myself
Committee: House Committee On Rules
Measure: HB2585

I completely support NOT having voter registration tied to anything at the DMV. Despite clearly marking my preferred party affiliation, I had to go in and switch it twice. Also, the Secretary of States website for checking or changing that is unnecessarily hard to navigate. Also, if they are NOT a citizen of the United states, they should NOT be auto enrolled in anything to do with voting. This is just another way to support voting fraud and ballot harvesting.
