On Behalf Of: Mr Oregon Opposes SB 159  
Committee: Senate Committee On Labor and Business  
Measure: SB159

I OPPOSE [SB 159]

Non-profits, all of them without distinction, are not entitled to a codified 10% for their goods and or services.

Depending on the contract, only the lowest bid should be accepted.

The Non-profits must have some "Friends" in the Legislature.

David S. Wall  
Mr. Oregon Concur.
