On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2994

I am writing to urge you to support HB 2994. As a parent of a child with hearing loss, I rely on the support of our insurance to ease the financial burden of her equipment needs. Ensuring access to this equipment allows my daughter to learn with her class and to broaden her ability to communicate. Thank you for supporting Oregon children with hearing loss and their families.
