On Behalf Of: Mr Oregon Opposes SB 592
Committee: Senate Committee On Labor and Business
Measure: SB592

I OPPOSE [SB 592 (-1)]

Increasingly, Oregon Employers are compelled to navigate a labyrinth of a complicated regulatory "Workplace" environment.

[SB 592 (-1)] is a draconian approach to "Workplace Safety" which will not make "Workplaces" more "Safe."

The increasing "fine structure" when injuries occur, [SB 592 (-1)] does not separate "negligence" by employer versus an "accident" by employee or even "intentional acts by employee(s)."

"Bad actor(s)" could use [SB 592(-1)] to "Blackmail" employer(s) for any number of reasons.

I believe in "Workplace Safety" and Employers should be held accountable.

"Death" in the "Workplace," is carried out by the Police and OR-OSHA.

[SB 592(-1)] appears to be the "Full Employment Act" for salivating Plaintiff Attorneys.
