

Submitter: Cayla Panitz

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2458

As a licensed professional counselor in the Portland area, I strongly support HB 2458. It is imperative that Oregon set the precedent for the rest of the country and protect all Oregonians by passing this bill. Conversion therapy is unethical and there is no place for any such practice in mental health treatment in Oregon.
