Measure: SB704

Hello Senate committee.

" IF YOU WANT YOUR EXISTING HEALTH CARE... YOU SHOULD BE ABLE TO KEEP YOUR CURRENT HEALTH CARE !"

I once had no doctor... then in 2016 I got one and that lasted 5 yrs... then since late 2021, I have had 6 or 7... or maybe currently I don't have one ?

this 1 plan fits all is failing people around the world...

Forced vax mandates show me no reason to trust in a 1 size fits all program :(

Today I have dual coverage insurance and my main provider tells me I will not have any coe pay for hearing aids (I have profound hearing loss).

For a year Oregon Health care has had me in a bubble of many people my hearing aid person says are not getting coverage for ???

Am I to have any doubt how single payer health care would pay out.... or that it could take years to approve me for a medical need ?

I am 100% against changing health care... and honestly do not trust this snake oil (SB 704).
