

Submitter: Deborah Knapp
On Behalf Of:
Committee: Senate Committee On Health Care
Measure: SB704

Dear Committee Members,

With all due respect, I am adamantly opposed to having my healthcare choices taken away from me. SB 704 looks to be one of the first steps to that agenda. Anyone who claims all Oregonians are for state run healthcare systems is dead wrong. This is a horrible bill. It's incredibly expensive and does nothing to help Oregonians. It does, however, seem to increase the power of the bureaucracy. We do not need the Oregon government, which is destroying our state, to have new and enhanced powers. We taxpayers cannot afford this added expense for more bureaucracy and no real individualized healthcare choices. One size never fits all. I don't want the government to run my healthcare. Please vote NO on Senate Bill 704.
