

Submitter: Michael Brainard
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2585

I support this bill because everyone has a right to be a voter, but they need to take the initiative to fill out the paperwork to register to vote.

Another reason I support this bill is because Motor Voter has made it so easy for peoples' voter affiliation to be changed, that the changes happen without them realizing it was changed until they receive a ballot that was for a different party in the primary election.
