On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB704

As a longtime Portland resident and self-employed small business owner who proudly voted Yes on Measure 111, I strongly support SB 704. I believe everyone should have reliable access to affordable health care that is not tied to marriage or employment status. I support the establishment of the Universal Health Plan Governance Board and the development of a comprehensive plan for implementation of the Universal Health Plan.
