Measure: SB283

I Support [SB 283]...Here's a few ideas.

***Lottery Money: The Oregon Legislature over many years have misappropriated Lottery Monies to FUND all sorts of "pet projects" instead of implementing the intent of the voters...to FUND Education.

Higher starting wages must be high enough (\$100K plus) for Teachers to buy a house.

Reduce class sizes.

Allow, encourage, Fund and permit time for "Professional Development."

Increase Substitute teachers wages and with corresponding mandatory performance audits (are the Subs following the Lesson plans?)

"Beware of 'Private staffing companies."

***Special Education Teacher's wages should be significantly higher. It takes "rare individuals" to have the patience to teach and be successful with special needs students.
