Measure: HB3158

My name is Audrey and I am a proud farmer in Linn county. I am submitting testimony today to OPPOSE HB3158. Why are you trying to cripple the backbone to the State of Oregon?! There is only so much one farm can absorb before they have to close their doors. We have had a lot to deal with the last few years with the fires all over Oregon, Ag overtime, and inflation. If the prices go up to the farmer that is only going to trickle down to the every day Oregonian that is just trying to make ends meet. Over the last couple years at the grocery store prices have skyrocketed! I know each and every one of you have felt it! It's only going to get worse if you keep taxing the ones that show up each and every day to put food on the tables. Please OPPOSE HB3158! Thank you.
