

Submitter: David Wall

On Behalf Of: Mr Oregon Supports HB 2966

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB2966

I SUPPORT [HB 2966].

Permitting "unlimited taking" of the fish dangerous to native species might be advantageous to control unwanted populations.

The "unlimited taking" might be useful in restocking at fisheries.

{HB 2966} should be amended to include additional "problem fishes."

David S. Wall
