RE: SB 5505, relating to the financial administration of the Oregon Criminal Justice Commission

Dear Co-Chair Sollman and Evans and Members of the Subcommittee:

During my verbal testimony requesting that the IMPACTS program managed by the Criminal Justice Commission and described by ORS 430.230-ORS 430.245, be fully funded (\$10M) for the 23-25 biennium, I indicated that Lane County has a video that describes the Forensic Intensive Treatment Team, a project funded by the IMPACTS grant program.
