

Submitter: Darcie Stone

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB3158

My husband is a self employed logger and has 30 employees. We already pay your "privilege tax" just to be in business. Last year that cost us and extra 15K, the years before 10K!! This bill just adds another burden to all people in Oregon, as these additional costs are always passed down to the consumer.
