

Submitter: Rene Banes

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB787

Simple enough..this bill us a waste of time. Houseless persons are always on transit..there is no intentions to retain these persons. Transit is full of needles thereby making it unsafe for the population that could use it.

Don't waste precious time on stupid bills that won't/can't be enforced. You are supposed to be working on bills that enhance the constitution.

Thank you for your wasted time and energy..now get to work on the real issues.
