

Submitter: Faye Yoshihara

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure: SB488

As a resident of North Benton County, I support the passage of SB 488. The Covanta Marion incinerator should be regulated based on its actual operations and medical waste streams. I am personally impacted because I live in the airshed of Coffin Butte Landfill. Covanta Marion's fly ash is trucked to Coffin Butte Landfill as daily cover, which adds to the pollution load we experience.

Sincerely,  
Faye Yoshihara
