

Submitter: Sue Aicher

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB423

I am strongly in favor of having a faculty member on the OHSU Board of Directors. I would like additional language added to this bill that clarifies how the faculty member would be appointed. OHSU has a representative Faculty Senate with elected members, and I feel that group should be responsible for selecting the faculty member representative on the OHSU Board of Directors.

Sue Aicher, Ph.D.

OHSU Faculty since 2000
