

Submitter: Katherin Kirkpatrick

On Behalf Of:

Committee: House Committee On Rules

Measure: HB3206

This is the sign of a political movement that can't win arguments with adults, so seeks instead to create child soldiers.

Oregon schools are bleeding enrollment because administration and teachers won't let up on the pressure to be involved in political issues before learning about how the world works.

Stop proselytizing to minors. Teach them how to think, not what to think.
