Measure: HB2556

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. This bill helps workers understand their paychecks and address any incorrect issues with deductions.

Many Oregonians live paycheck to paycheck, and a mistake on their paycheck could mean the difference between making rent or not. Requiring a transparent paystub allows employees to understand where their wages are going.

Thank you for your time. Please pass this legislation.
