Measure: HB2556

To the Business and Labor Committee:

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. HB 2556 requires employers to explain in plain language the amount and reason for a deduction on a worker's paycheck.

Mistakes in deductions are common, and without a transparent paystub, mistakes are less likely to be caught. With paycheck readability, workers can better understand and advocate for fair and correct wage allocations.

This is a good bill and should pass.
