Committee: House Committee On Business and Labor

Measure: HB2556

To Legislators:

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. HB 2556 ensures that workers will receive a paycheck that clearly explains any deductions in pay, and the amount deducted.

Workers should be able to read and understand their paychecks. By requiring employees to provide a plain language explanation of their paycheck deductions, workers will have a better understanding of their finances.

Please pass this bill!
