Committee: House Committee On Business and Labor

Measure: HB2556

To the Business and Labor Committee:

Please SUPPORT HB 2556. This bill would require deductions on paystubs to be explained in plain language. This bill helps workers understand their paychecks and address any incorrect issues with deductions.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Paycheck readability gives workers a stronger financial understanding and security.

This is a good bill and should pass.
