Measure: HB2556

Dear lawmakers,

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. HB 2556 ensures that workers will receive a paycheck that clearly explains any deductions in pay, and the amount deducted.

Workers should be able to read and understand their paychecks. Requiring a transparent paystub allows employees to understand where their wages are going.

This is a good bill and should pass.
