Measure: HB2556

Dear lawmakers,

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

When a paycheck obfuscates the reason for a deduction, it becomes very difficult for a worker to identify and address an error. Paycheck readability will go a long way towards preventing mistakes in wage deduction.

Thank you for your time. Please pass this legislation.
