Measure: HB2556

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Mistakes in deductions are common, and without a transparent paystub, mistakes are less likely to be caught. Paycheck readability will go a long way towards preventing mistakes in wage deduction.

This is a good bill and should pass.
