Committee: House Committee On Business and Labor

Measure: HB2556

To the Business and Labor Committee:

Please SUPPORT HB 2556. This bill would require deductions on paystubs to be explained in plain language. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Many Oregonians live paycheck to paycheck, and a mistake on their paycheck could mean the difference between making rent or not. Paycheck readability gives workers a stronger financial understanding and security.

Thank you.
