Committee: House Committee On Business and Labor

Measure: HB2556

SUBJECT: YES for HB2556 Paycheck readability

MESSAGE: Dear lawmakers,

Please SUPPORT HB 2556. This bill would require deductions on paystubs to be explained in plain language. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Requiring a transparent paystub allows employees to understand where their wages are going.

Thank you.
