

Submitter: David Klaus

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR20

I strongly oppose this bill on the grounds that a persons brain is not fully developed until age 25. In addition to the former, considering the Marxist indoctrination in the public schools, this is a terrible idea. Sixteen year old students who've never worked or had to pay taxes have no skin in the game and should not have the right to vote until they do.
