

Submitter: Clair Klock

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB679

Senator Golden and members of the committee,

I'm Clair Klock from Corbett,

I urge your support of SB 679. I have been a conservation educator and farmer all my life. Experience in nature is the best revenue to connecting people to conservation.

The Oregon Coast Trail will be a critical opportunity to introduce local people and around the people connect with the coastal forest and marine environment.

Thank you for time.
