

Submitter: Marty

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2556

SUBJECT: YES ON H.B.2556 Paycheck readability

MESSAGE: To the Business and Labor Committee:

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. By requiring employees to provide a plain language explanation of their paycheck deductions, workers will have a better understanding of their finances.

Thank you. Please pass this bill!
