SUBJECT: YES ON HB2556 to help workers

MESSAGE: RE: SUPPORT OF HB 2556

I am writing to express my support of HB 2556, which will require employers to provide paystubs that explain deductions in plain language. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers should be able to read and understand their paychecks. Paycheck readability will go a long way towards preventing mistakes in wage deduction.

This is a good bill and should pass.
