

Submitter: Nancy

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2556

SUBJECT: YES ON H.B.2556 to protect employees

MESSAGE: To the Business and Labor Committee:

I am writing to express my support of HB 2556, which will require employers to provide paystubs that explain deductions in plain language. This bill helps workers understand their paychecks and address any incorrect issues with deductions.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Paycheck readability will go a long way towards preventing mistakes in wage deduction.

In addition, workers should NOT have to access their "pay stubs" online only within the corporation's website.

Please pass this bill! Please!
