

Submitter: Holly Gillham

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR20

I oppose this bill. Let our children be children for a little bit longer. They are already growing up faster than they should have to. They don't need the addition of political pressures on top of everything else already being thrown their way. Give them a chance to mature, the chance to live and experience life a little bit before adding these additional pressures.
