

Submitter: Haley Elam

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2556

SUBJECT: In Favor of HB 2556 to help workers

MESSAGE: To Legislators:

Please SUPPORT HB 2556. This bill would require deductions on paystubs to be explained in plain language. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. By requiring employees to provide a plain language explanation of their paycheck deductions, workers will have a better understanding of their finances.

Thank you for your time. Please pass this legislation.
