

Submitter: Gretchen Ghrist

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR20

Children need to remain children until they are 18 years of age. There is no reason to have their involvement with elections until their brains are fully formed. If you want to lower the age they go to war and can purchase a gun to 16, then maybe this makes sense, but right now, they need to wait until they are 18.
