On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB2001

I am strongly in favor of HB 2001 & believe it is imperative that it passes in the name of housing justice given the horrific housing crisis in Portland & Oregon in general. Too many Oregonians through no fault of their own are dealing with inflation & the near-impossibility of finding an affordable place to live. HB 2001 addresses this squarely & must become law in Oregon.
