

Submitter: Alex Collins

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

I support SB548 because it is our duty to ensure that children who are being removed from their homes are not being further traumatized by our State agencies. While problems facing Child Welfare are massive, this is a small step that can make a huge difference for a child's mental health. No one, especially children, should be forced to carry their lives in trash bags.
