

## **I OPPOSE [SB 522]...Abandon Hope, all ye who enter Oregon.**

**From The "Summary,** Changes name of "Oregon Global Warming Commission" to "Oregon Climate Action Commission."  
Modifies membership and duties of commission. Modifies state greenhouse gas emissions reduction goals. Directs state agencies to report to commission on progress toward achieving greenhouse gas emissions reduction goals."

I'm quite sure [SB 522] will receive the Nobel Prize for the goofiest, five(5) page treatise changing the name of a non-performing Commission which will only serve to document how a group of Lemmings think they're going to save the Planet.

What a complete waste of time and money.

Mr. Oregon Concur...China and India are killing the planet, Oregon will do nothing to save it.
