

Submitter: Carrie Czarnecki

On Behalf Of:

Committee: House Committee On Education

Measure: HB3014

The bike bus Coach Balto has put together for Alameda is amazing! My fourth grade son, Ben, has hardly missed a week! Wednesdays are his favorite day. He gets up, gets dressed and out the door with no qualms! It has also increased his independence and I know at least one day of the week I will get to work on time.
